- ❖ To compete in your first race you must participate in at least 12 team practices.  
*(coaches have final decision if they feel you are not fit enough to race even with 12 practices)*
- ❖ To compete in the weekly races you must participate in the previous 3 team practices.
- ❖ Missing practice on a regular basis may lead to you not participating in races. In this situation, coaches will determine if you will compete.
- ❖ Please seek out a coach if you have to miss practice. Do NOT have a teammate relay the information. More than 4 missed practices for ANY reason will result in you not earning a letter for the season.
